

HOME 4 THE HOLIDAYS[®]
HELEN WOODWARD ANIMAL CENTER

Home 4 the Holidays[®] is a three-month adoption drive that saves the lives of orphan pets and raises awareness about the importance of pet adoption during the holiday season.

More families bring a new pet home during the holiday season than at any other time of the year. This program is dedicated to educating the public about the importance of choosing pet adoption over supporting puppy mills and backyard breeders. Through our collective group of over 4,000 pet adoption agencies, facilities and rescue-groups, **this campaign has become the largest pet adoption campaign on record, saving over 18 million pets since its inception in 1999.**

Over 4,000
groups around the world have participated!
